## **COVER LETTER**

*Dear Auros Team,*

I am writing to express my interest in the Senior Python and C++ Developer position. As a Ph.D. graduate in Nuclear Physics, I believe that my abilities to tackle intricate problems with creativity and precision, together with a deep understanding of complex systems and more than a decade of experience with software engineering, perfectly suits the positions' requirements, making me enthusiastic about the opportunity to contribute to your team in the dynamic field of cryptocurrency trading systems.

I am particularly drawn to Auros due to its reputation for fostering innovation and pushing the boundaries of technological advancement. Thank you for considering my application. I look forward to the possibility of contributing to the success of the company.

*Warm regards,*

**Caio Laganá Fernandes**
